

Ideas for Updates to Website

Email whenever a new candidate is added or a profile is updated.

Add “references pages” where other people (i.e. siblings, friends, aunts and uncles) who know the candidate can contribute testimonies.

Space for candidate to give contact information through social media.

Instructions on how to create an account on the website (i.e. YouTube video)

Add a section: How I can help others in matching.

(People can write what they can offer. Examples: Willing to email or Skype just to chat about matching. Willing to pray for others. Can recommend good resources you have found.

Links with summary of info to educational materials

Pages take a long time to load. Is there a way to speed it up.

Many paragraphs have letters in gray instead of black and are hard to read on some monitors.

Too much white space and the green lines are too big. Forces user to scroll around too much.

Add more pictures

Section for general statement along with questionnaire.

Add videos (1 min. or short), questions can be suggested.
